MR SAL FERRO
PRESIDENT
ALURE HOME IMPROVEMENTS
1999 HEMPSTEAD TURNPIKE
EAST MEADOW NY 11554

Dear Sal,

Thank you so much for the great wrap party last night! After working with you for the past week, it was great to have the opportunity to kick back and enjoy such an excellent party!

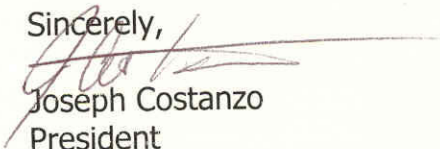

Watching you work through the week was amazing...you seem to have boundless energy and are right there in making decision after decision in a situation where the game plan changed constantly.

Sal, the speech that you gave was so inspirational to me as a small business owner, especially the way you complimented and thanked those working with you! We seem to share a philosophy of treating workers with respect in order to realize maximum results. It is heartening to see a man who has achieved the level of success you have achieved, subscribe to the same theory as I do - it was a way of validating my ideas.

It would be my honor to work with you again in the future. C & C Landscape Contractors, Inc. would be very happy to be associated with Alure Home Improvements.

Again, thanks for the party! It was a blast!

Sincerely,

Joseph Costanzo
President

Design, Installation and Maintenance
