

New York State Assembly Citation

Whereas, the Assembly of the great state of New York does desires to recognize businesses who are the lifeblood of the community and who foster significant philanthropic contributions to the residents of our community, and which so often goes unrecognized and unrewarded; now therefore be it;

Resolved, on May 24, 2007, that I, David McDonough, Assemblyman for the State of New York 19th District, do hereby present this citation to;

ALURE HOME IMPROVEMENT

Commemorating and honoring the owners and employees of Alure who worked tirelessly to complete a new recreation center at "Clearpool", a non-profit education facility that services children from the most needing of homes, with my best wishes on this occasion, which is worthy of the esteem of both the County of Nassau and the great state of New York.
